

PAPER

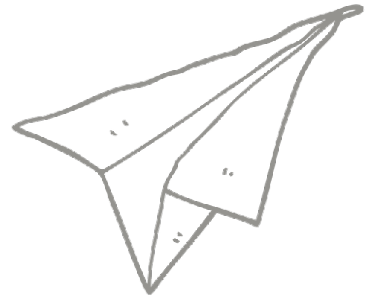

AIRPLANE

PREPOSITIONS

WonderHere[?]

Directions:

Create a paper airplane of your choice.

Find a large space either outside or inside with different objects around.

Wherever the plane lands, you must say or write a prepositional phrase or sentence to describe the location.

Use the preposition cards as guidance.

Below are some examples:

The plane is on the table.

The plane is around the rock.

above

across

after

around

before

behind

beneath

beside

between

by

inside

near

on

over

past

toward
